\* Data is rounded up to the nearest KB. The network capability of Everyday Mobile from Woolworths plans has access to download speeds from 10Mbps up to a speed cap of 100Mbps on 4G.

**Additional Fee Information:** For more information about the fees, charges and pricing applicable to your plan, see [Service Terms and Conditions - Prepaid](#).

### 2. Using your plan and inclusions

To use this plan, you must buy and activate an Everyday Mobile from Woolworths SIM card.

**Eligible devices:** You must bring your own unlocked device that meets the [Device Guidelines](#) available on the Everyday Mobile from Woolworths website. Your tablet or IoT device may not be capable of making calls or sending or receiving SMS and MMS. Note that 3G was decommissioned in October 2024 and 3G handsets will need to be upgraded to continue to use this service.

**Data Bank:** Unused data will rollover into Data Bank when you recharge on the same or higher value eligible plan (value calculated as an average monthly spend) before credit expiry. Data Bank will be forfeited if you move to a lower value plan. Your Data Bank limit is 500GB and any unused data over that limit will be forfeited. Data bank data will be used after you have used all your Included Data. Any optional data add-ons you purchase will also rollover into your Data Bank. If you do not recharge before credit expiry, you forfeit any data in your Data Bank. See [Data Bank Rules](#) for more information on eligible plans.

**Data:** If you have exceeded your Included Data and exhausted your Data Bank balance, you will not be able to use data until the start of your next recharge unless you purchase a data add-on. Please note that tablets and IoT devices not capable of making calls or sending or receiving SMS and MMS may only use the data component of the plan.

**Data Gifting:** Up to 50% of Included Data per recharge can be gifted in 1GB increments to another active Everyday Mobile from Woolworths plan with Data Gifting feature. Data, once gifted, cannot be re-gifted to any other plan. Gifted Data will be utilised before Included Data and will rollover into Data Bank if you recharge on the same or a higher value long expiry plan before expiry.

**Add-ons:** You must have valid credit on your Everyday Mobile from Woolworths Prepaid plan to purchase any add-on. You can purchase optional add-ons at <https://mobile.everyday.com.au/add-ons>.

**Exclusions:** Your plan does not include any allowance for international calls, international roaming, Premium services, or calls or SMS to the following types of numbers: "19xx", "0055", "1234", "12455" and "12456". You may purchase an International & Other Add-on to make calls and send SMS to international numbers, and use other non-standard services to Australian numbers. Note that MMS inclusions, once used up, will no longer be available until your next recharge and cannot be replenished if you purchase a PAYG international & other add-on.

**Acceptable use:** This plan and your use of our network (including the unlimited use of national calls and SMS) is subject to the Everyday Mobile from Woolworths acceptable use policy, available at <https://mobile.everyday.com.au/legals>.

**No refund of Prepaid credit and no early termination charge:** There is no minimum contract term. If you cancel your service or transfer your Service to another provider out, you will not be charged an early termination charge. However, any remaining credit will not be refunded and unused data will be forfeited.

**Expiry:** If you do not recharge before expiry, then upon plan expiry, your access to the network to make calls, send SMS or MMS, or use data immediately ceases.

# Critical information summary

## Everyday Mobile from Woolworths Long Expiry Prepaid Plan

**International Roaming:** International Roaming is only available online as an optional add-on, for an additional cost. You can purchase add-ons at <https://mobile.everyday.com.au/add-ons>.

### 3. Other information

**Your usage:** Check your usage by downloading the Everyday Mobile from Woolworths app or via My Account online. You will receive SMS usage alerts on your compatible device within 24 hours of reaching 50%, 85% or 100% of your included value for either calls or data. These SMSs will not contain an unsubscribe facility.

**Automatic recharge:** Your Everyday Mobile from Woolworths Prepaid service automatically recharges at the end of the credit expiry period. Unless you tell us otherwise before expiry, we will automatically charge you your selected recharge amount through your chosen payment method. You can remove auto-recharge at any time via the Everyday Mobile from Woolworths app or the My Account portal.

**Standard national calls, SMS and MMS:** Standard national calls are to any 10-digit number within Australia starting with 02, 03, 04, 07 and 08. Standard national SMS and MMS are to any 10-digit mobile number within Australia. This includes 13/1300 and 1800 numbers, and excludes special, premium, satellite and overseas numbers.

**Everyday Mobile from Woolworths Customer Care:** For more information about your service or if you have a complaint, you can contact us via <https://mobile.everyday.com.au/support/chat>. Please contact us first if you have a complaint and our team will immediately work to resolve it. If, after speaking to us, you are not satisfied with the outcome, you can contact the Telecommunications Industry Ombudsman on 1800 062 058 or at <https://www.tio.com.au/making-a-complaint>.

Please note that this is a summary only. This summary does not reflect any discounts or promotions that apply from time to time. The full terms and conditions are available at <https://mobile.everyday.com.au/legals>.

Woolworths Group Limited ABN 88 000 014 675 (known as Everyday Mobile from Woolworths from Woolworths) uses part of Telstra's 5G and 4G mobile network. The service provides 5G Coverage reaching at least 75% of the Australian population. The Telstra Wholesale mobile coverage footprint reaches more than 98.8% of the Australian population and covers more than 1.6 million square kilometres of the Australian landmass. Telstra's 3G Network (850Mhz band) closed in October 2024.
